To Whom It May Concern

This is to certify that **Kanishka Pasindu Mudithananda** has successfully completed a Fullstack Internship at Lakion, which commenced on October 22, 2023, and concluded on January 22, 2024.

Throughout his internship, Kanishka demonstrated exceptional proficiency in both front-end and back-end development. He effectively utilized technologies such as JavaScript, React for front-end development, and Node.js for back-end services. His ability to create seamless, user-friendly interfaces and robust server-side applications has significantly contributed to our projects, especially in overseas markets like New Zealand.

Kanishka's approach to software development, encompassing both database management and web architecture, has been comprehensive. His skill in integrating databases like SQL and NoSQL into our applications enhanced the functionality and efficiency of our solutions. Moreover, his keen understanding of the entire web development process, from conception to deployment, exemplifies his capability as a Fullstack Developer.

In addition to technical skills, Kanishka showed great adaptability and collaboration skills in a remote working environment. He displayed a strong work ethic, problem-solving abilities, and effective communication, which are essential qualities in today's IT landscape.

We at Lakion are confident that the experience and skills Kanishka has gained during his time with us will be invaluable in his future career pursuits. He has proven himself to be a capable and knowledgeable Fullstack Developer, and we are proud to have had him as part of our team.

We hereby acknowledge his successful completion of the internship and recommend him highly for any future roles in the field of Fullstack Development. We wish Kanishka Pasindu Mudithananda all the best in his future endeavors.

Regards,
